note:

■ Have been changed the doors and drawers from gasket foamed to gasket replaceable by hand. The new door and front drawer replaces the previous model but the gasket doesn't included, please order separately.(from ser.N°003000..)

■ Have been changed the probes cell and evaporator with the new one, the main differences are the color of cable and type of sensor, this new one probe replace the previous model with out add some up date on digital control.Ser:N°8500001
